

ACHWM Recommendations checklist

- Obtaining relevant local approval (e.g. Chief and Council support, Board of Directors)
- Connect with other organizations that are also involved with the same children and youth (i.e. local First Nation, AHAC, local schools) to advise and share your initiative
- Connect with the local health center for resources (i.e. Mental Health Workers)
 - Are there enough workers for youth being surveyed?
 - Consider identifying programs that can be offered post-survey
- Identify internal resources (who will do Proposing, planning & Implementation)
- Connect with local communities regarding the implementation
 - Ensure there are enough mental health workers to support all youth taking the survey
 - Obtain enough equipment needed
- Think of your Timeline
 - With new updates, the averaged timeline is varied per community
- Plan for secure record-keeping
 - Input in Electronic systems (e.g. Medical Records, Student Records)
 - Secure location for consent forms
