

Resources Needed for ACHWM Program

1. Purpose & Agreement & Licence

2. Personnel

3. Financial

Purpose & Agreement

- Determine the purpose of implementing the ACHWM (e.g. health screening, population health assessment, clinical screening)
- Agreements types: Determine which agreement is the best fit (Research, Collaborative or Independent)

Licence Identified:

- ACHWM is for Indigenous communities and non-profit organizations (limited to use with Indigenous children)
- Free upon eligibility

License fee

- None, app is free

Personnel

Local Champion/Project Leader

- Decision maker, health leader, education leader etc.
- Signs ACHWM agreement
- Organizes and documents ACHWM report and findings

Local ACHWM Helper/Knowledge Translator

- Supporting the implementation of the ACHWM
- Help implement survey and organize Support services to follow up after ACHWM
- Provide education and information about the measure

Qualified Staff [MANDATORY]

- Important
- Approved by Local Champion/Project Leader, to perform brief mental assessments and/or triage (e.g., Mental Health Worker, school councillor) with the children and youth completing the ACHWM

Financial Resources

Staff time

- To implement the survey
- To analyse data and produce reports
- Mental health support for the children

Equipment

- Any Tablet (Android operating system is preferred)
- Tablet Protection (i.e. OtterBox) [Optional]

Training

- Travels costs (if on-site training is requested)
- To send staff to training or to bring trainers to the community
